

## Partial preventive evacuation of the Temiscaming-Kipawa Multiservices Center

**Temiscaming, Thursday, March 14, 2019-** As a precautionary measure, the Centre de santé et de services sociaux (CISSS) of Abitibi-Témiscamingue decided to evacuate part of the Temiscaming-Kipawa Multiservice Center.

The services affected are emergency services, the medical laboratory and radiology. These services will be closed between 4 pm today and 9 am tomorrow morning.

Please note that the CHSLD is not affected by this preventive evacuation.

For all emergencies, we invite citizens to contact the Info-Santé service. Depending on the situation, users may be referred to the Ville-Marie Hospital.

Pre-hospital emergency services were advised of the situation.

The situation will be re-evaluated by tomorrow morning. A new press release will then be broadcast.
